

CURRICULUM VITAE

Peter Schatteman

e-mail: Peter.Schatteman@olvz-aalst.be

Medical Degree, University of Antwerp, 19th June 1998

Urology Title, Belgium, July 2004

CURRENT POSITION

- Staff Member, Department of Urology, Onze-Lieve-Vrouweziekenhuis, Aalst
 - * Specialisation : Oncological Urology & Endo-urology
 - * Since December 2005
- Chairman of Multidisciplinary Team Oncological Urology, Onze-Lieve-Vrouweziekenhuis, Aalst
 - * Since January 2013

TRAINING

Subspecialisation

- Department of Urology, San Raffaele, Turro, Milan, Italy
 - * Chief of Department : Prof Dr G Guazzoni
 - * Intensive 2 week HoLEP Fellowship
 - * January 2010
- Department of Urology, Städtisches Klinikum, Karlsruhe, Duitsland
 - * Chief of Department : Prof Dr D Frohneberg, Präsident der Deutschen Gesellschaft für Urologie
 - * Endo-urology and Uro-Oncology
 - * July - November 2005
- Department of Urology, Universitätsklinikum Charité Campus Mitte, Berlijn, Duitsland
 - * Chief of Department : Prof Dr S Loening
 - * Laparoscopic Urology
 - * February - June 2005
- Department of Oncological Urology, IUNA, Fundacio Puigvert, Barcelona, Spanje
 - * Chief of Department : Prof Dr J Palou & Dr H Villavicencio
 - * Oncological Urology
 - * September 2004 – January 2005

Training in Urology

- Department of Urology, Onze-Lieve-Vrouweziekenhuis, Aalst
 - * Chief of Training : Dr. P. Carpentier
 - * Laparoscopy, Oncology, Endo-urology, Uro-Gynecology, Lithiasis (ESWL), Pediatric Urology
 - * Augustus 2001 - July 2004
- Department of General Surgery, AZ Middelheim, Antwerpen
 - * Chief of Training : Dr. Y. Gerard
 - * Augustus 1998 - July 2001

MEMBERSHIPS

- Fellow of the “European Board of Urology” (FEBU)
- Founding Member of the “Junior European Robotic Urology Group” (Junior ERUS)
- Member of the Medical Partnership Aalst – Gabrovo (Bulgaria)
- Member of the “European Organisation in Research & Treatment In Cancer”, Genito-Urinary Section (EORTC)
- Member of “European Association of Urology” (E.A.U.)
- Member of the “Belgian Association of Urology” (BAU)
- Member of “Belgische Vereniging voor Urologie” (B.V.U.)
- Member of the “Belgische Beroepsvereniging voor Urologie” (BBVU)
- Member of “Belgian Laparoscopic Urology Group” (B.L.U.G.)

PUBLICATIONS

- **Scopus:** Documents by author **43** Total citations **835**

CHAIR - ORGANISATOR

- IPSEN Workshop on Novel treatments in BPO Surgery. OLV Aalst, 11/10/2018 and 25/10/2018
- Chairman of One-day “Use of Holmium Laser in Urology” Symposiumn 24/02/2017, OLV Aalst
- Chairman of One-day “Use of Holmium Laser in Urology” Symposiumn 24/04/2015, OLV Aalst
- Chairman of One-day HoLEP Symposium, 18/10/2013, OLV Aalst
- Chairman of Multidisciplinary Genito-Urinary Cancer Group OLV Aalst since January 2013
- Chairman of Local Quality Group Urology, Aalst- St-Niklaas – Dendermonde (LOK) June 2010 – December 2017

- Global Congress on Prostate Cancer. Primary Care Symposium, 30/06/2012, Brussels, Chairman
- MasterClass in Robot-Assisted Radical Prostatectomy 27/06/2012, Brussels, Co-chairman
- Masterclass in Robotic Partial Nephrectomy, 17-18/06/2011, Essene, Belgium
- Masterclass in Robotic Surgery on the Upper Urinary Tract, 05/02/2010, Brussels, Co-chairman
- MasterClass in Robotic Prostatectomy 08/05/2009, Brussels, Co-chairman
- ERUS (European robotic urology symposium) 2007, Brussels, Belgium. Co-chairman

LIVE SURGERIES

- HoLEP, 7/11/19, TNT in Endourology 2019, Torino, Italy
- HoLEP , 2019, SIU Italy
- HoLEP, 2018, WRSE

PRESENTATIONS

- Importance of Big Data in Urological Practice, Quality Week in Care 2020, 13 Febr 2020, Aalst
- Laser features and clinical effects: urologists became engineers. TNT in Endourology 2019, Torino, Italy
- Procedural Essentials on HoLEP, Surgery in Motion Session, Annual EAU Meeting, 17 March 2019
- What does the future hold for BPO: HoLEP/ThuLEP/BTUEP/Greenlight. Scientific Summits, 12-13 Oct 2018, StMartensLatem
- Novel treatments in BPO Surgery. Ho Course Catharine Eindhoven, 14 Sept 2018
- TURP versus Laser: who wins? Annual Congress BAU, Sint Truiden, 1-2 Dec 2017
- Metastatic hormone-sensitive prostate cancer: pros and cons of adding AA versus Docetaxel. Scientific Summits, 13-14 Oct 2017, Durbuy
- YUORDay16 (EAU Young Urologists Office & European Society of Residents in Urology ESRU), Old school versus new school, which is the best? Treatment of benign large prostates, 12/03/2016, EAU 2016, Munich
- "Abiraterone Acetate: Where are we in 2015?" Annual Congress BAU, Antwerp, 04/12/2015
- "HoLEP : shifting the indication for transurethral prostate surgery to bigger volumes" P Schatteman, G De Naeyer, A Mottrie, P Carpentier, Minimaal Invasieve Behandelingen voor BPH, 30/10/2013. Catharina Ziekenhuis, Eindhoven, Nederland
- "Onkologische Ergebnisse Prostatakarzinom, ERUS Lecture" P Schatteman, DRUS meeting, 2-3/12/2011, Ingolstadt, Germany
- "Ethical Aspects Starting a robotic Program", Junior ERUS meeting, P Schatteman, 26/09/2012, London, UK
- "A rare case of RALP : ureter reimplantation in a lama", Junior ERUS meeting, P Schatteman, 26/09/2012, London, UK

- “Anaesthesiological aspects of robotic surgery”, Junior ERUS meeting, P Schatteman, 05/10/2011, Hamburg, Germany
- “Modular surgical training : Translate the laparoscopic experience to robotic surgery” P Schatteman, Junior ERUS meeting, 29/09/2010, Bordeaux, France
- “Start-up of a robotic-assisted surgey programme : Importance of training and proctoring. P Schatteman, Masterclass in Robotic Surgery, 04/05/2010, Brussels, Belgium
- “Robotics in Urology”. P Schatteman, International Congres in Minimal Invasive and Robotic Surgery, 19-21/10/2009, Brno, Czech Republic
- “OR efficiency in robotic Surgery.” P Schatteman. MasterClass in Robotic Prostatectomy 08/05/2009, Brussels, Belgium
- “Robot-assisted laparoscopic partial nephrectomy: evaluation of initial series of 17 patients” P Schatteman, A Mottrie, P Carpentier, E Fonteyne. Poster, World Robotic Urology Symposium, 17-19/03/2008, Orlando, Florida, USA. 18/03/2008
- P Schatteman, A Mottrie. Progress in Endoscopy : VI thh internationale meeting ETCA, Antwerp, Belgium, 24-27 January 2007 Injuries to the bladder and the ureter: How to avoid, to recognize and to treat.
- P Schatteman : Vroegtijdige diagnose en preventie van prostaatkanker. Eskulaap, Aalst 7febr 2006
- P Schatteman, A Mottrie, P Carpentier, E Fonteyne: Laparoskopische Sakropexie und Roboter-assistierter radikale Prostatektomie: Ergebnisse aus Belgien. Seminarie Urologie. Universitätsklinikum Charité, Berlin, Duitsland. 20 juni 2005
- P Schatteman, J Huguet, J Palou, C Baez, M Musquera, J Segarra, R Parada, A Rosales: Instillaciones vesicales de Bacilo Calmette-Guérin (BCG) para el tratamiento del carcinoma de células transicionales con afectacion de los ductos prostaticos. LXX Congreso Nacional de Urologia. Asociacion Espanola de Urologia, San Sebastian, Spanje. 4-7 juni 2005
